## Cardero Closes Second Tranche of Non-Brokered Financing

**Vancouver, British Columbia...Cardero Resource Corp.** (“Cardero” or the “Company”) (TSX: CDU, Frankfurt: CR5) announces that it has closed the second tranche of its non-brokered private placement of up to 10,000,000 shares at \$0.15 announced July 27, 2015 to raise gross proceeds of \$1,500,000.00. Gross proceeds of \$201,250.05 were raised through the sale of 1,341,667 common shares. All shares issued in the second tranche will have a four month hold expiring on March 18, 2016. The Company anticipates that a third tranche will be closed later in the month.

The net proceeds will be used for general working capital. Finder’s fees may be paid on portions of the private placement.

The common shares to be issued in the Offering have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “1933 Act”) or any applicable securities laws of any state of the United States and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the common shares to be issued in the Offering, nor shall there be any offer or sale of the common shares to be issued in the Offering in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

***Cautionary Note Regarding Forward-Looking Statements***

*Forward Looking Information: This news release includes certain information that may be deemed "forward looking information". Forward-looking information can generally be identified by the use of forward-looking terminology such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans" or similar terminology. All information in this release, other than information of historical facts, including, without limitation, the availability of financing to the Company are forward-looking information that involve various risks and uncertainties. Although the Company believes that the expectations expressed in such forward-looking information are based on reasonable assumptions, such expectations are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking information. Forward-looking information is based on a number of material factors and assumptions. Factors that could cause actual results to differ materially from the forward-looking information include changes in project parameters as plans continue to be refined, future metal prices, availability of capital and financing on acceptable terms, general economic, market or business conditions, regulatory changes, delays in receiving approvals, and other risks detailed herein and from time to time in the filings made by the Company with securities regulatory authorities in Canada. Mineral exploration and development of mines is an inherently risky business. Accordingly, actual events may differ materially from those projected in the forward-looking information. For more information on the Company and the risks and challenges of our business, investors should review our continuous disclosure filings which are available at [www.sedar.com](http://www.sedar.com). Readers are cautioned not to place undue reliance on forward-looking information. The Company does not undertake to update any forward looking information, except in accordance with applicable securities laws.*
